New product DWL-G520M

D-Link 108Mbps Wireless MIMO PCI Card

Connect to wireless networks at farther distances than before using D-Link's new Super G™ with MIMO line of products. By combining the latest in MIMO smart antenna technology and SuperG™ technology, this new Wireless PCI card DWL-G520M offers dramatic performance improvements over standard 802.11b and 802.11g wireless devices. Based on proven technology, the DWL-G520M can access wireless networks and transfer data at higher rates and at farther distances than standard 802.11g. This Super G with MIMO card enables superior wireless connectivity for your desktop PC while remaining backward compatible to a virtually all 802.11g and 802.11b wireless networks and devices.

A configuration utility is included to ensure a straight forward set-up process. The utility keeps track of your most frequently accessed networks and their specific settings, so you can rejoin them without hassle. The DWL-G520M also supports the latest security features such as WPA-PSK to keep your wireless network secure.

Functions and Features

- 108Mbps Super G MIMO Wireless PCI card
- For desktop PC use
- New MIMO (Multiple Input - Multiple Output) technology for enhanced performance and signal quality
- Based on 802.11g
- 108Mbps Super G technology for enhanced performance with other D-Link Super G products
- Fully compatible with other 802.11b/11g products
- WPA data encryption for wireless security
- Configuration utility for easy set-up and configuration

The box includes:

- DWL-G520M 108Mbps MIMO PCI Card
- Manual and Drivers on CD-Rom
- Quick Installation Guide

EAN code: 07.90069.28422.9
