
DIR-506L Modem Card Support List

Release Date: 2013/04/29

The adapters in this list were found to be compatible with the DIR-506L after testing, though due to frequent software and hardware revision by manufacturers, D-Link cannot guarantee compatibility of these adapters with the DIR-506L, and this list should be used for reference only. If you experience problems with your DIR-506L, please contact your local D-Link technical support.
